During the Secretary's inspection of the Sri Krishna Devasu temple at Udapi in the South Canara Distt. on the 1st of January 1906, the Pejavara Swamy who was then the Paryaya-Swamy and is now in Bangalore, represented that the income of the temple was quite inadequate when compared with the expenditure incurred; that feeding charges alone came up to a very high figure; that the Sanad granted by H H the [illegible]

Maharaja Krishnaraja Wadiyar Bahadur III in 1821 authorized the payment of Rs 45/ a day for expenditure in the temple which was for some reason, or other, since reduced to Rs 18/ per day and prayed therefore that the Jasdik according to the terms of the Sanad might be restored.

Muzrai Secretary's remarks:—

The above was a verbal request made to me in Jan.y 1906 when I was at Udipi. A change of Swamis has since taken place in accordance with the Pariyaya System under which each of the 8 Swamis looks after the temple affairs for a period of 2 years. It is of course impossible to increase the present Jasdik of nearly 7000 Rs which is being paid by the Mysore Govt. annually to the Sri Krishnadevaru temple at Udipi I think the matter

From the copy of the Sanad dated 5th Feby 1821, it is observed that H. H - the late Maharaja Sri Krishna Raja Wodeyar Bahadur III visited the temple of Sri Krishna Devaru at Udipi in company with the then Honble Resident Col: Cole and witnessed the several Pujas & Utsavams and was graciously pleased to make large gifts of Elephants, Horses & costly jewels to the Temple and further to enhance the Tasdik of 2 Varahas per diem then existing to by 13 Varahas thus raising the Tasdik to 15 Varahas per diem or Rs 5200 Bahadari Vara has per annum. the Vaadik of 12 months (wood deeds) was reduced to 10 months (cocoanut deeds) the then presiding Swami of the Phalamaru Matt whose turn it was to worship Sri Krishna Devaru complained to H. H. the late Maharaja who was pleased to issue a Nirup dt 18th March 1830 to the Amildar of Kasar to pay the full amount of the Vaadik to the Temple.

The Swami of the Puttige matt represents that it is not possible now to say under what circumstances and when the sanctioned Vaadik was reduced. Under Inam Title deeds nos 24698 & 24699, the temple is now in the enjoyment of Rs 6807-- and Rs 14-8-0 respectively per annum. The Swami also says that of the 8 Swamies, one of them sits in Paryaya once in 16 years by rotation and owing to the life of celibacy led by every one of them, no one ever was able to represent the matter to Govt till now.

It is probable that the Phalamaru extracts in the Venu Records of the

In the Fowzdar's Nirup H.H. the late Maharaja Sri Krishna Raja Wodeyar Bahadur has been pleased to direct that the daily Jadik of 2 Varahas formerly enjoyed by the Sri Krishna Devaru temple at Udipi has been increased by 13 Varahas daily and that 15 Varahas daily or 5400 Varahas per annum should be continued to the temple without break.

Mr Kern: Records also say that unless there is a report from the Dist: as to the circumstances under which the Grant was decreased, it is not possible to trace out from the records the reasons which led to such decrease.

Sri Mukha dated 18th May 1909 from the Sri Sudheendra Swamie of the Puttige Matt one of the eight matts of Udupi South Canara district.

Sree Madhwacharya, Founder of Dwaita Philosophy, was pleased to rule that the priest occupying the pontifical seat of each of the eight matts established by His Holiness at Udupi should Conduct the pooja of Sri Krishna Deva in Consecrated at the place for a period of 2 years in rotation. (Accordingly which the Kanneer Matt (one of the eight matts) was Conducting the Pooja Srimath Dewan Purnayya was graciously enough to allot 2 pagodas in Dcer 1805 as a day or 720 pagodas per annum for Padithara Deepara dhane expenses of the temple and disbursement was being made at that rate till 1821 when the late Maharaja Sri Krishnarajawadiyar Bahadur III paid

a visit to the holy place with all his offices and retinue accompanied by Resident Col Cole. His Highness not only made rich gifts of Elephants, horses umbrellas and other parapharnalia but also raised by a annual the taxdik of 2 pagodas a day to 15 pagodas or 5400 a year. A record - ing to this payment was being made till 1832 in supersession of the original taxdik and then the Taxdik of Purnayya was resorted to. Borders appear to have been passed during His Highness's rule or during the commission for this reduction. At any rate references are not forth Coming in the matter. It rests with the benign Government of Mysore to respect the gift that was graciously granted by that generous ruler of Mysore and ratified by that noble officer Col Cole. in appreciation of the services witnessed by His Highness and the Colonel.

As already stated above, each Swami conducts the Pooja for 2 years in rotation and until his turn comes he will be absorbed in Studies and meditation This circumstance coupled

will be graciously, ~~favored~~
~~with a kind~~ granted

with the long distance between that
Sacred Shrine and the capital of the
State and the difficulties attending
on a sanyasin travelling from place
to place situated at great distances
prevented the Matadhipathies
from approaching Government earlier
for bringing to their notice the redress
in the Jaadik grant.

It is therefore hoped that this delay in
~~in~~ representation may not be consi-
dered as the main ground deterring
the grant from bestowing a reasonable
consideration and favouring on favourable terms.

The charges of the daily, weekly fort-
nightly monthly and annual services as
well as the daily Sanyasana of this famous
and everlasting monument established
by that great founder of Dwaita
Philosophy have been increasing year
by year on account of its having
become more famous for these
throughout the length and breadth of
this land of Bharata for the unique
divine worship organised

venerable preceptor and protege
with the reverence and sanctity
with which the temple is held had to be
kept up the expenses of which has
in consequence, risen to one Lac of Rs
a year. Such a costly divine Service
cannot be pushed through by the assets
of the mutto-bent, as they would be,
on ablutions and other ceremonies
peculiar to the Asrama which pre
vents them from taking action to increase
their incomes by itineration. The cost
has been particularly high during
recent years when this Bharatavarsha
once out blessed with reasonable rains
has been troubled by continued drought

It may be observed that having
seen with His Highness' own eyes the
Costliness of the sevas the late Sri
Krishnaraj Wadayar was graciously
pleased to enhance the Jaradis fixed by Dewan
Purnayya which gift, it is regretted,
he was not honored subsequently
for reasons not known to the mutts.

It is under such circumstances
that this Sree Mukha commanded
with a fervent hope that His Highness
the Sri Krishna Raja Wadayar GCSI

of Illypore will be graciously pleased
to perpetuate the liberal gift granted
by his illustrious Ancestor
